

SATELLITE TECHNOLOGY ASIA (SATTECH) 2009

Date: 18th to 21st February 2009

Venue: Raffles Hotel, Singapore

Satellite Technology Asia (SATTECH) 2009 International Conference was held for its second time in Raffles Hotel, Singapore, on the 18th to 21st February 2009.

SATTECH 2009 is supported by Singapore Economic Development Board, NTU Centre for Research in Satellite Technologies (CREST) and NUS Centre for Remote Imaging, Sensing and Processing (CRISP).

The event brought together - from all over the world - decision makers, operation managers, end users, technologists and procurement specialists in the industry. SATTECH 2009 officially ended on 20 February 2009 with a special half day event for the Youth of Singapore held at Singapore Science Centre on the 20 February 2009 in collaboration with Singapore Space Technology Association (SSTA).

With the success of SATTECH 2009, and the overwhelming interest and support from its participants in the next Satellite Technology Asia Conference, Defence Technology Conferences is motivated and confident to deliver a better SATTECH 2010.

WHO ATTENDED

- Leading organisations in the Defence Industry
- Defence Technologists from Ministry of Defence
- Senior Defence Technologists from Europe, US and Asia
