

d-Logistics Seminar 2009 International Conference & Exhibition

Date: 13th & 14th October 2009

Venue: Republic Polytechnic, Singapore

d-Logistics Seminar 2009, organised by the Singapore Ministry of Defence (MINDEF) since 2001, evolved from a successful internal event into an International Conference organised by DTC Conferences in partnership with Singapore's Ministry of Defence, Singapore Technologies Engineering, The Logistics Institute - Asia Pacific (TLI-AP) and the Association of Aerospace Industries Singapore (AAIS) and in association with the Singapore Tourism Board.

d-Logistics Seminar 2009, designed under the theme "**Full Spectrum Defence Logistics ~ Equipping the Force, Delivering the Outcomes**" aimed to bring international and regional Logistics organisations and their domain experts in face-to-face interactions with the Regional Military and their decision makers to discuss new and emerging defence related logistics strategies and initiatives required to ensure readiness of today's evolving regional defence organisations in line with the latest demands on the defence forces.

WHO ATTENDED

- Leading organisations in the Defence-Logistics Industry
- Defence Technologists from Ministry of Defence
- Senior Defence Technologists from Europe, US and Asia

WHY THEY EXHIBITED

Participants of d-Logistics Seminar expressed that they attended because their Organisation was interested in:

- Presenting specialised topics of interest to Defence Technologists and End-users planning new equipment acquisitions and formulating operational doctrines
- Presenting the unique selling points of the underlying technologies used in their latest product developments
- Having the possibility of a face-to-face dialogue with the key decision makers in the important Asian defence market, during the formal sessions and informal evening events.
