

## Submarine & ASW ASIA 2003 International Conference & Exhibition

Date: 4 - 5 March 2003

Venue: Shangri-La Hotel, Singapore

**Submarine & ASW ASIA 2003 International Conference & Exhibition (SASW 2003)** is the first of its kind in Asia. The Naval Exchange team conceived and conducted the Event with excellent support from the global Defence community.

The Conference achieved its objectives in providing up-to-date information and also promoting interaction between Navies in the region and industry leaders in Submarine and Anti Submarine Warfare technology, research and related products. Organisations from the global defence industry, Key Navy and Ministry of Defence decision makers from Asia and select Navy technologists from European Navies all participated in this groundbreaking Event.

The event was a success with more than 300 delegates, with around 50 naval personnel, attending the Conference and Exhibition.

### WHO ATTENDED

- Leading organisations in the Defence Industry
- Defence Technologists from Ministry of Defence
- Senior Defence Technologists from Europe, US and Asia

### WHY THEY EXHIBITED

Participants of SASW 2003 expressed that they attended because their Organisation was interested in:

- Presenting specialised topics of interest to Defence Technologists and End-users planning new equipment acquisitions and formulating operational doctrines
- Presenting the unique selling points of the underlying technologies used in their latest product developments
- Having the possibility of a face-to-face dialogue with the key decision makers in the important Asian defence market, during the formal sessions and informal evening events.
